## DIRECT SALES Holiday Gift Guide

Ahh, the holidays. Don't you just love when the local mall starts looking like the DMV on a Saturday afternoon?

We didn't think so. But not to fret—this year, let the saleswoman come to you (or your home computer) with the unique products offered in direct sales. With everything from fine jewelry to tough tools, direct sales companies offer whatever it is you're looking for this holiday season. Plus, consultants will get your products delivered right to your door. No more sardine-can stores for you.

Move over Emeril. The **Five-Piece Stainless Steel Cookware Set** from The Pampered Chef will inspire the five-star chef in anyone on your list. The copper-plated **Round Up from the Heart® 2007 Trivet** is a gift that's twice as nice—\$2 of each sale benefits America's Second Harvest: The Nation's Food Bank Network, making it the gift that keeps on giving.

**Five-Piece Stainless Steel Cookware Set: \$295**  
**Round Up from the Heart® 2007 Trivet: \$12.00**

The kids will be begging to let the dogs out once they get their hands on Simply Fun's **Walk the Dogs**. Our tiny testers loved the easy-to-learn, award-winning concept, not to mention the cute-as-can-be game pieces. If your kids have the need for speed, try **Sneaks**, a fast-paced card game that will keep up to eight players on their toes.

**Walk the Dogs: \$32.00**  
**Sneaks: \$17.50**
